Other information:

Villa Vetma is a new modern villa, located 50 meters from the beach in a small coast place Kastel Kambelovac.

Kambelovac is a small town just near the city of Split, situated on the most beautiful part of the Adriatic coast. Placed in a large bay right between three UNESCO monuments of the city: Solin (5km), Split (10km) and Trogir (10km) there are tons of great sights and places to visit while you are not at the beach. Kastela are developed around seven sites (Kastel Sućurac, Kastel Gomilica, Kastel Kambelovac, Kastel Luksic, Kastel Stafilic, Kastel Stari and Kastel Novi) marked by seven forts - castles, and each place has its own story that characterize the Mediterranean place. In the Kastel Kambelovac you will enjoy the beautiful Mediterranean architecture, old stone houses along the coast, go hiking on Kozjak hill that rises above Kastela offering a great view of all the Dalmatian islands.

During the day enjoy a swim at the beaches at front of apartment, and in the evening you can take a walk or a ride on a bike along Kastela's coast that stretches through all seven Kastela.

For sightseeing you can go to Split or Trogir that are only ten minutes drive from the apartments and take a walk on one of the best Mediterranean Rivas that Split and Trogir are well known off. Kastel Kambelovac, is a great place to have a great holiday. Welcome!
